

Monthly Assignment Tasks and Research Paper Plot

Ms. Smith assigned a research paper in History on the Holocaust. She assigned it on the 2nd and it is due on the 24th. You have a month to complete the paper.

Ms. Smith's requirements are:

- minimum of eight sources from which you get information
- note cards completed with research prior to writing rough draft
- rough draft done prior to writing final copy
- one-on-one conference to discuss rough draft prior to writing your final copy
- time in the library

In order to complete this task in a timely manner and secure an A, your job is to plan how and when you will do each of the requirements over the next month. You must create your own deadlines and leave enough lead-time to allow for unexpected events or illnesses.
